To Whom It May Concern

Date: 8/5/1448 Hijri (19 September 2026)

It is my pleasure to write this recommendation for Mrs. LAMA MOHAMMAD BAKHET ALJOHANI. I taught her the course "Business Data Networking" in the College of Computer Science & Engineering, Taibah University, Saudi Arabia. She achieved (A+).

I would be very grateful if you could give her application your fullest consideration.

Yours Sincerely,
Dr. Abdullah Al Binali

Former Dean of College of Computer Science & Engineering
Former Director of IT Center in Taibah University
Former Director of NOOR Research Center in Taibah University
